GOSPEL MEDITATION

This morning I received a text message that a member of my extended family will likely die of cancer within the next few hours. His name is Luke. He is a 45-year-old husband and father of six. Though I am not as close to him as my sister (she is his sister-in-law and knows him well), I wonder: how can we, including Luke himself, manage such a terribly awful and unfair situation?

The words of this Sunday's Gospel offer a powerful and challenging path. Jesus says, "If any want to become my followers, let them deny themselves and take up their cross and follow me" (Mark 8:34). Today I see with new freshness the starkness and strangeness of the words take up. The cross stands for suffering which is unjust, absurd, seemingly hopeless, and humiliating. Jesus doesn't say "accept" or "endure" or "tolerate," but "take up." Embrace it, actively. Choose it and lift it up for others to see what terrifies and sickens us. But somehow, for Jesus, this is the path to "saving one's life." A new world is breaking in, one in which love is everything, when no relationship can be wounded or die. I trust that in the embraced suffering of Luke and his loved ones, Jesus is taking up his cross and saving us all.

By the time you read this, barring a miracle, Luke will have died. He will be carrying his cross no longer. But we all still face suffering. This week let's not just endure, but take up our crosses, big and small. That's our only hope for saving our lives.

"FORMED" PICK OF THE WEEK

FORMED is a popular online platform that can be likened to a Catholic Netflix. The subscription is free and provided by OLA to all parishioners. The "Pick of The Week" is *The Lord of the Rings and Catholicism*. Based on the historical records and the personal testimony of his fellow friars, this is the amazing true story of the life of the famous stigmatic monk, St. Padre Pio, a contemporary saint who died in 1968. Blessed with incredible spiritual gifts, including healing, bi-location, reading of souls, and the stigmatic wounds, Padre Pio was a powerful witness for Christ, and a great spiritual guide to countless souls for over fifty years. The Stigmata of St. Francis

September 17th is the Feast of the Stigmata of St. Francis of Assisi, a feast day celebrated within the Franciscan communities. St. Francis was the first person, historically recorded, who bore the marks of the crucified Christ in his hands, his feet, and in his side.

Prayer of Pope Francis on Mount LaVerna

Saint Francis, man wounded by love, Crucified in body and in spirit, we look to you, decorated with the holy stigmata, to learn how to love the Lord Jesus, brothers and sisters in your love of His holy passion. With you it is easier to contemplate and follow Christ, poor and Crucified.

Give us, Francis, the freshness of your faith, the certainty of your hope, the gentleness of your charity. Intercede for us, so that it may be sweet for us to bear the burdens of life, and in trials we may experience the tenderness of the Father and the balm of the Spirit.

May our wounds be healed by the Heart of Christ, so we may become, like you, witnesses of His mercy, which continues to heal and renew the life of those who seek Him with a sincere heart.

O Francis, made to resemble the Crucified One, let your stigmata be for us and for the world resplendent signs of life and resurrection, to show new ways of peace and reconciliation. Amen.
